Dear Chef Oscar,

I want to take this time to thank all of you first of all to you Tres, for visiting with your sister and two brother-in-laws about inviting the Coca Cola Research Council to your family's place in Charlotte for a 5-star evening. Tres, you can tell family is a very big part of your life and a very big part of your success in the industry.

Shauna and Patrick, I want to especially thank you for inviting us into your home for an outstanding evening. The Council was extremely happy and pleased. It was probably the best evening we have had in the last three years being on the Council. Inviting us into your home and more importantly having your children come down and meet each table shows your family commitment and really personalized the whole evening. It was as if Jan and I were sitting in our backyard and were invited over by our neighbors. You made everyone feel comfortable and you have a lovely home. It is amazing you have been there 7 years and there have been 500 homes such as yours built in the area. Shauna I hope someday you can visit our Sioux City store and see our new "Hy-Vee Baby" department with a photography studio.

Chef Oscar, the food was absolutely 5-star. We have had the opportunity to dine in London, Ireland and Milan, Italy and I would put your expertise at preparing meals and designing a plate in the category of the finest meals we have
